

Well, there has been a lot going on in and around Wembury this last month. Firstly a big green turf sofa arrived at Wembury Point on Thursday 22 July . This was to encourage people to get off their living room sofa and out onto our outdoor sofa. The turf sofa was located at the bottom of the hill at Wembury Point, allowing the users a stunning view out towards Wembury bay. It has now left the site to move onto Castle Drogo on Dartmoor. If anyone has taken photos of themselves sitting on the sofa and would be willing to share these, please could you e-mail them through to the address at the bottom of this article.

On Friday 13<sup>th</sup> August we had a very welcome sight at Wembury Point. Roly, the spotty foal returned. Roly was born prematurely and only with round the clock nursing from the ranger team did he survive. A couple of months later, he is now fit and strong enough he is back to Wembury to help with our conservation grazing. Come and have a walk round Wembury Point and see if you can spot this beautiful little pony, but please bear in mind these ponies are wild, so please do not try to touch or feed them.

You may have seen our new engagement trailer which we used recently at the New Barton cook out and at the Yealmpton show. We are using the trailer as a way of promoting our work at events and shows. Any feedback about our trailer and the new countryside logo would be most welcome. As well as this you may notice a change in the colour of our uniforms from the traditional green to our new style blue. These changes signal that we are heading in a new direction – putting people and the local community at the heart of what we do whilst continuing to care for our countryside.

How about joining us on one of our events?

**Thursday 16<sup>th</sup> and Friday 17<sup>th</sup> September - Green woodworking in the woods.**

Have a go at working with wood over 2 fun days making items like gates, handles and rakes. Discover how to turn wood and learn the crafts of coppicing and cleaving all in a beautiful woodland setting. Cost £20 per person. Just a couple places left.

**21<sup>st</sup> September – Great Walls of Wembury – Learn how to build a stone wall.**

Jericho, Hadrian and China all had great walls. Time to build your own using Devonian shale stone to make your own great wall, which should last generations. Cost £10 per person. 6 spaces left.

**30<sup>th</sup> September – Walk Talk and Munch.**

Come and have a walk through our woods and estuary side at Noss Mayo and discover and taste the bounty of edible wild foods in the area. Cost £5 per person. Plenty of spaces left.
