

WEMBURY LOCAL HISTORY SOCIETY

We are a Society of over 70 members. We hold meetings and illustrated talks about the history of Wembury Parish, Plymouth, South Hams and the surrounding area. These are held in the Wembury Memorial Village Hall on the third Thursday of each month with the exception of August and December. In June and July we have evening historical Walks and Visits. Other visits are arranged during the year. Our AGM is in January.

Our Membership comes from the Wembury area, Plymstock, Plymouth and the South Hams. Their interests include Archaeology, Geology, Genealogy, Maritime History, as well as the history of the environs of Wembury Parish.

Each year the Programme is available on the Parish Website.

Membership : £7 per year. Visitors are welcome : £2 per visit
