

Wembury Local History Society

Interested in the past?

Each year we organise a popular and diverse programme of talks and walks, covering a wide range of topics drawn from places and subjects of historical interest in the local area, Plymouth, Devon, and Cornwall.

Why not come along? Membership costs only £10 a year, or you can sample an evening meeting for just £2.

For full programme details, and much more about Wembury's history, just go to our website:
